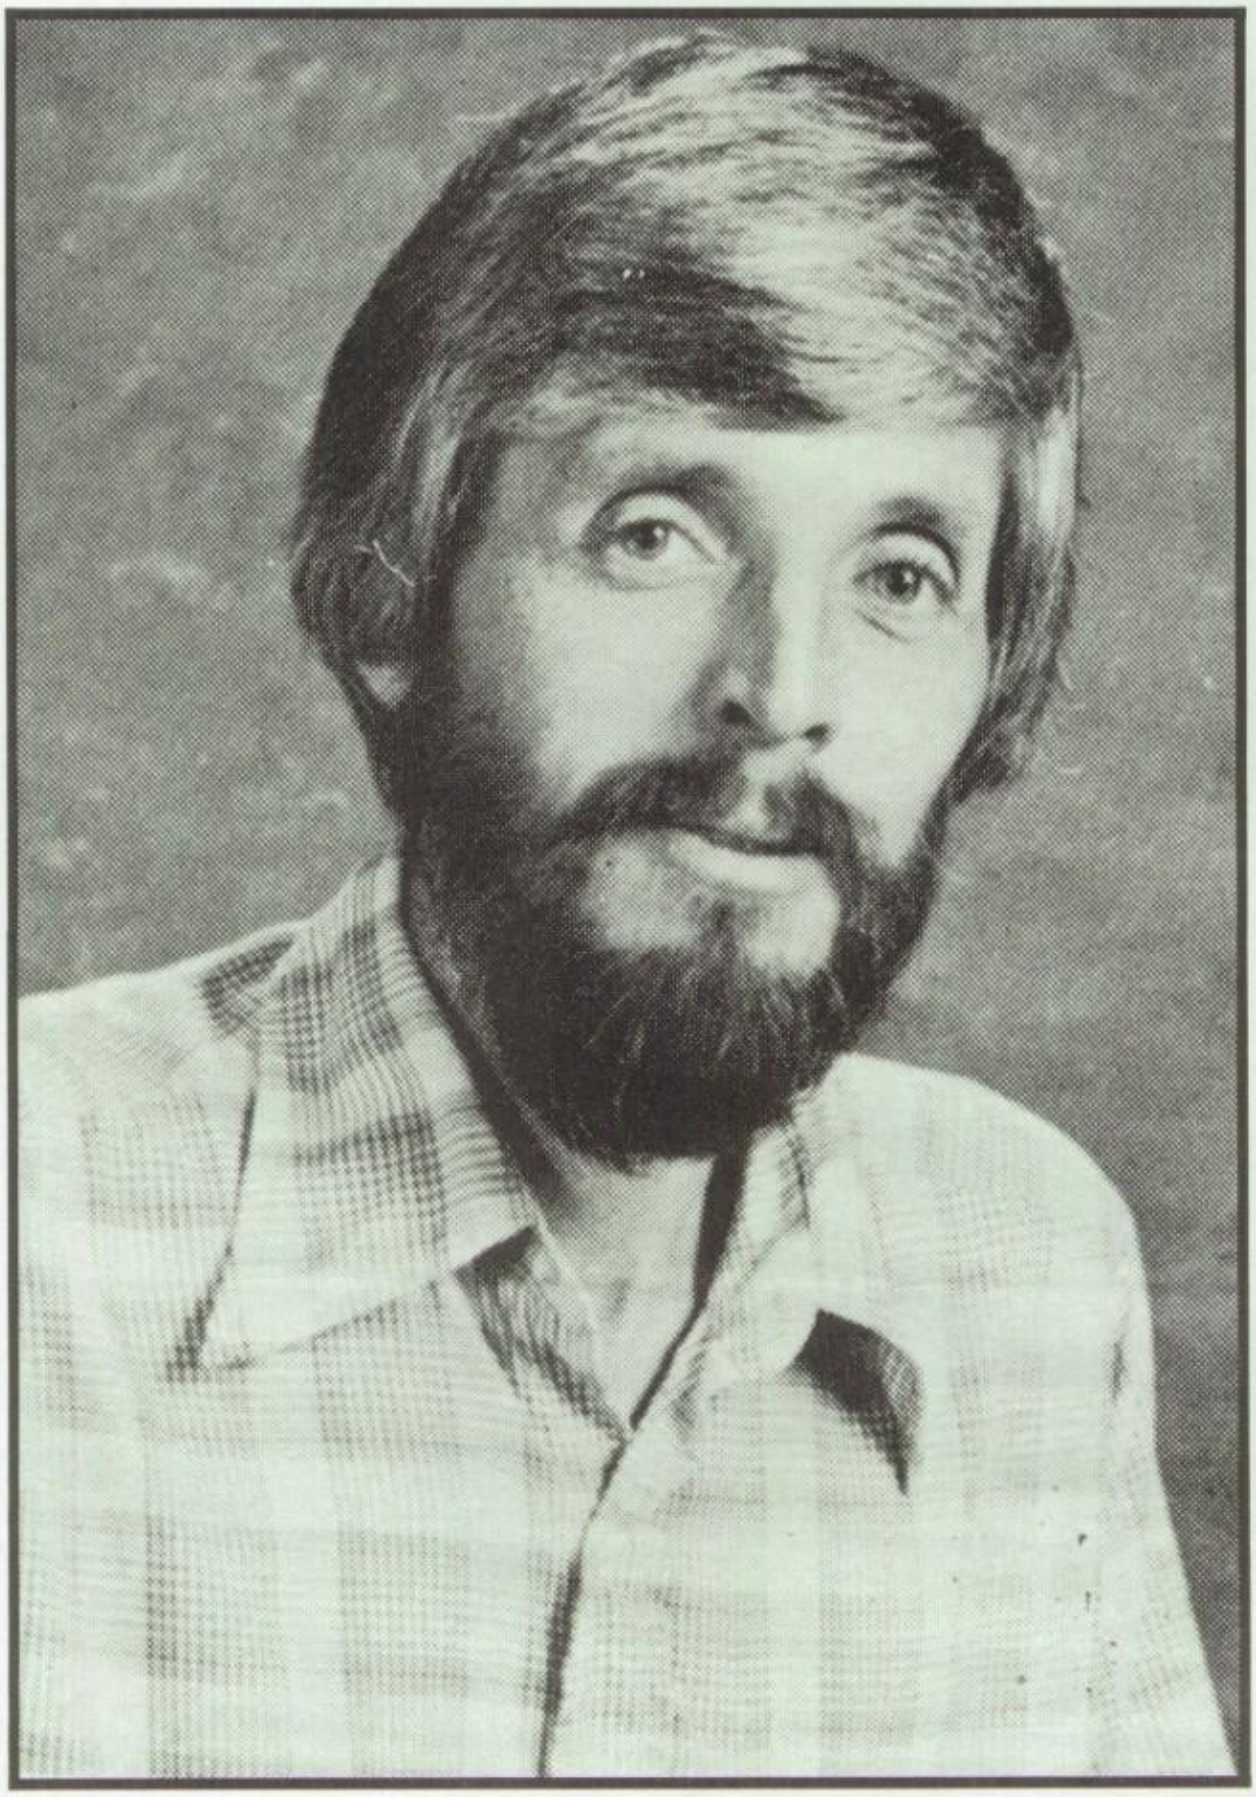
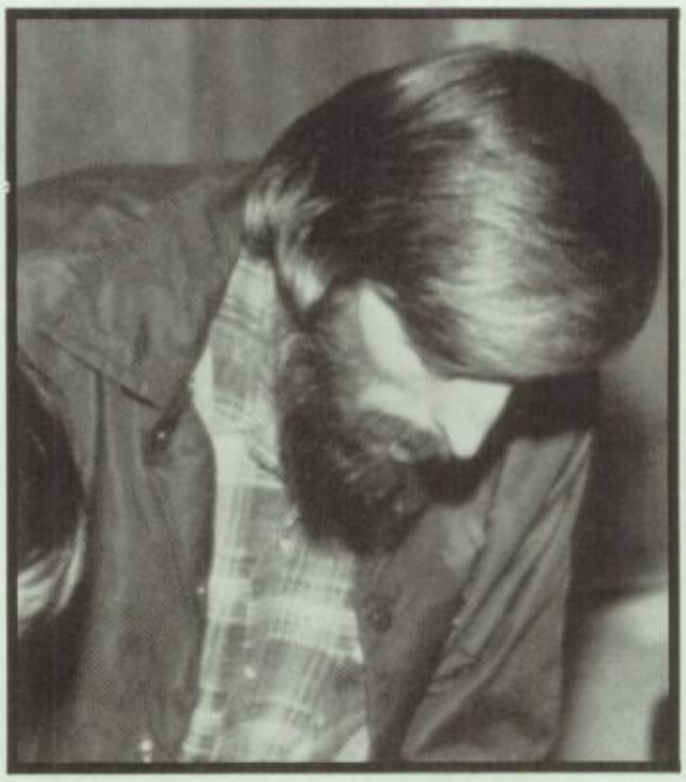
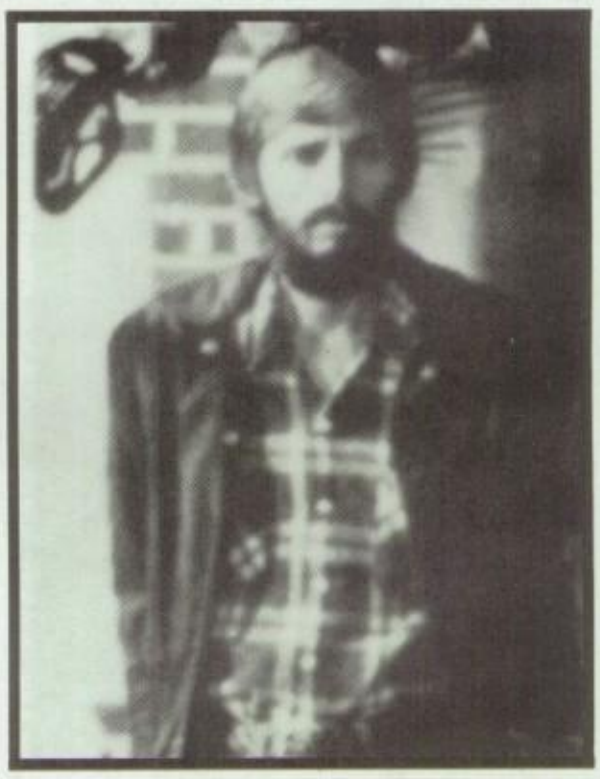
TRIBUTE TO MR. CHARLES HARRELL





"Consider that I laboured not for myself only, but for all them that seek learning."

Apocrypha: Ecclesiasticus, xxxiii, 17



Mr. Charles Harrell joined the Jacksonville High School faculty in August of 1977, as an Agribusiness teacher. He had previously taught Agribusiness and Special Education in the Calhoun County School System. He was active in the local, state, and national FFA Organizations, and he participated in workshops and conferences related to Agribusiness.

His retirement from teaching was effective February 1, 1985. His early retirement was hastened by his declining physical health. He will be remembered by his former students as a kind, patient, and caring teacher.

We wish for Mr. Harrell a most pleasant retirement.

Caring, sharing, and teaching for the past 30 years and into the future . . .

Mr. Kendal Clemmons is involved with the VICA Club and V.I.E. program. He has coached and taught at Jacksonville High since 1957.

"Jacksonville High has always been a good place to teach and a good place for students to learn."

Thanks!

For the past twenty-four years at Jacksonville High, **Mrs. Evelyn Douthit** has worked with a very special group of students.

"Jacksonville High School is an outstanding school system which has afforded me many pleasurable teaching years."

Mrs. Mary Cobb presently serves as Jacksonville High's librarian. She has been in the education field since 1939 and at Jacksonville for the past seventeen years.

"Jacksonville High School is the best in the state."

Mrs. June Haggerty taught at various schools in Alabama before coming to Jacksonville High School as a math teacher twenty-five years ago.

"The years at JHS have been very good ones. It has been an enjoyment to see the students come and go."

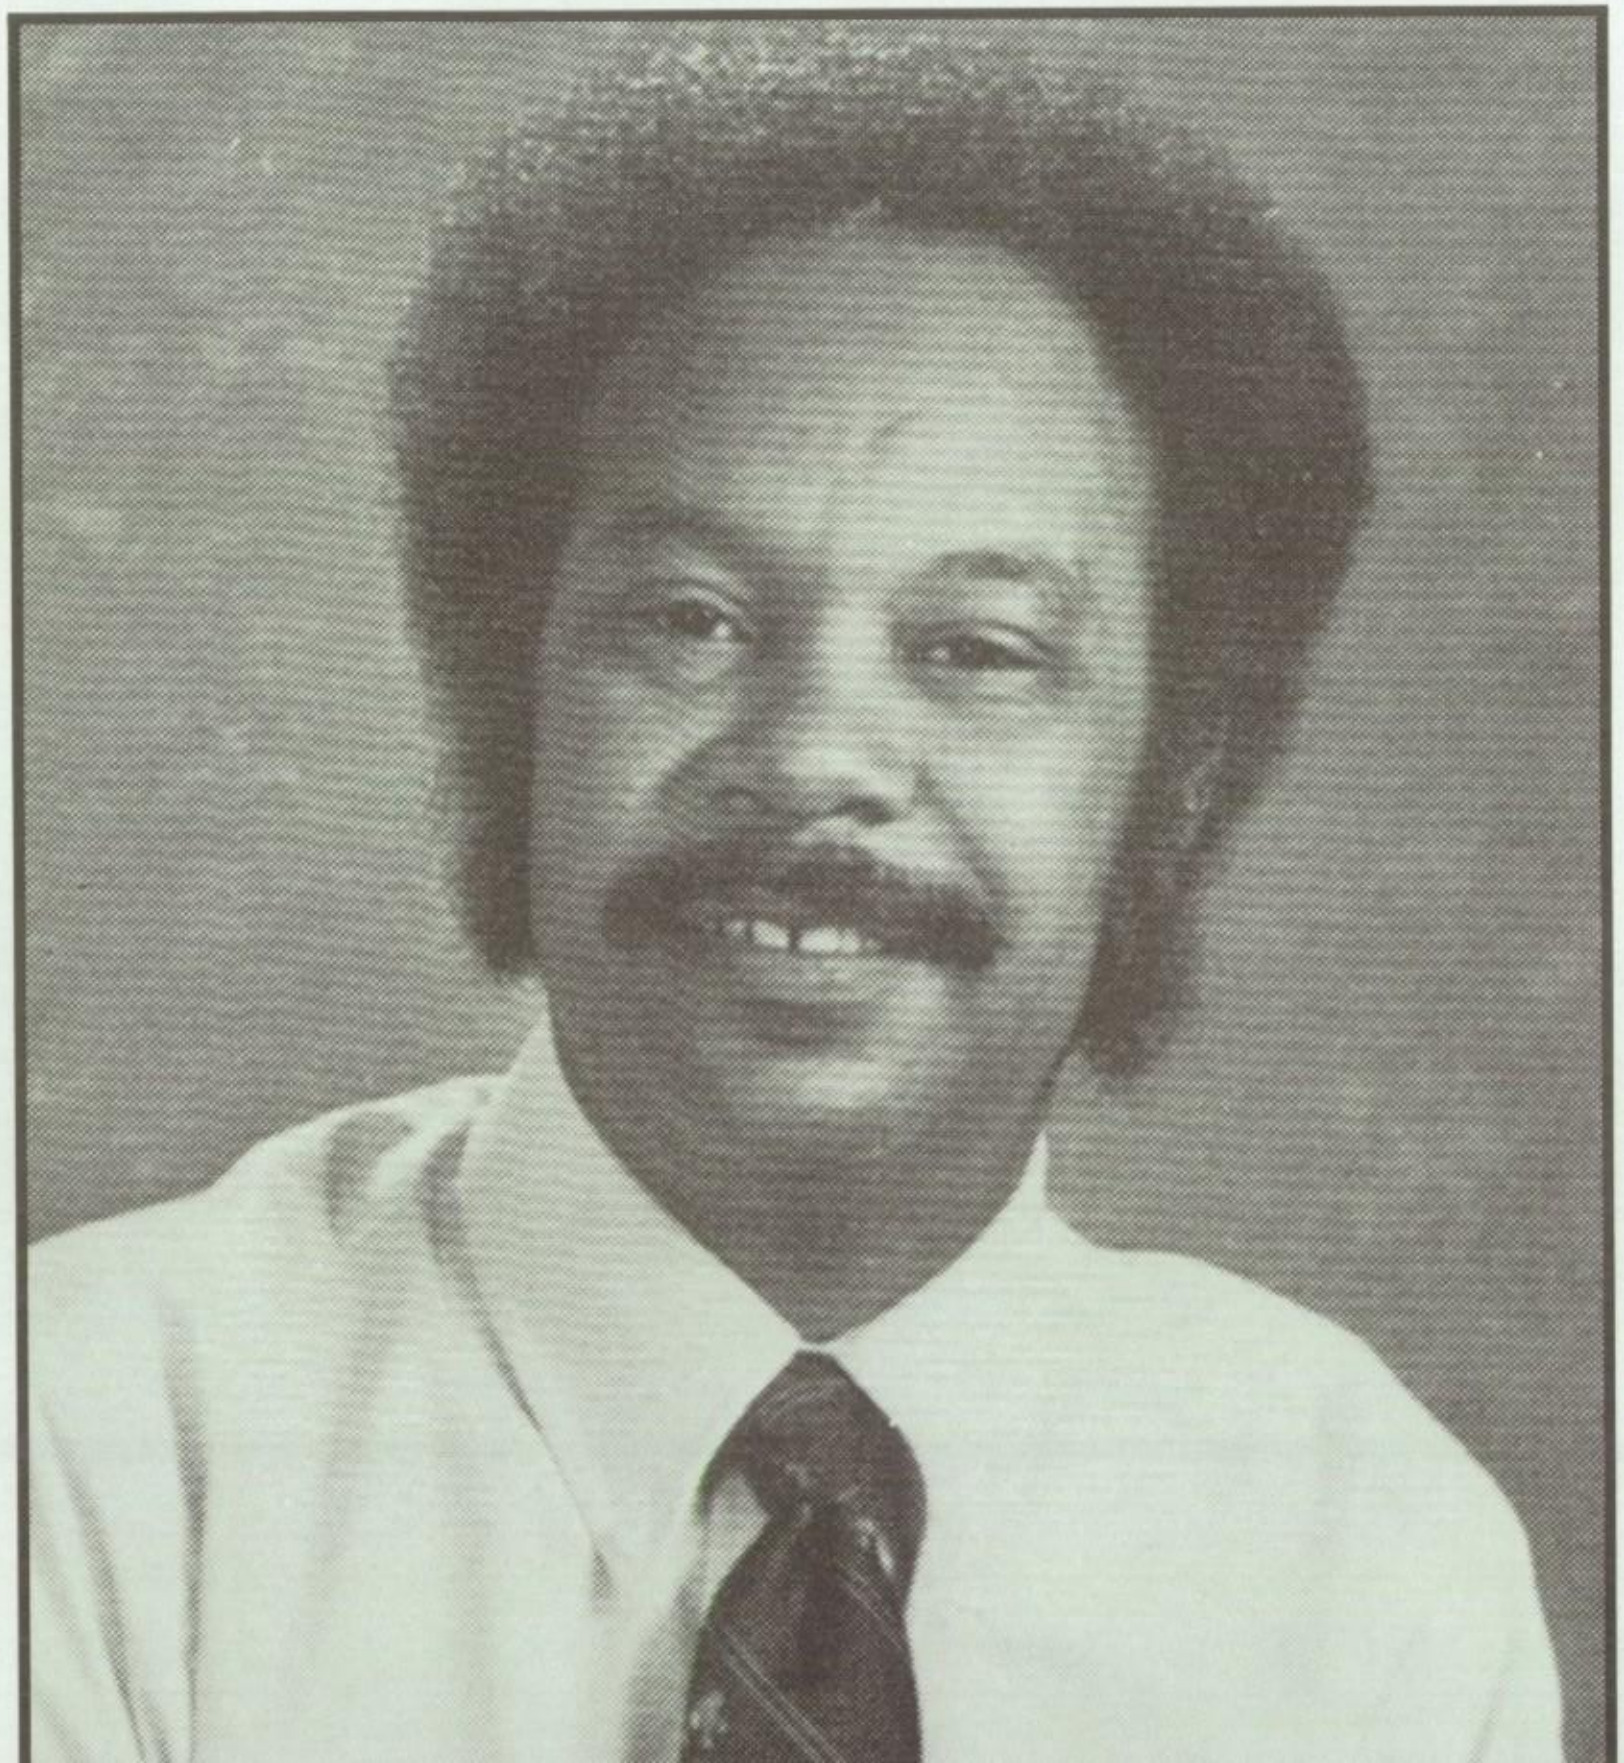
In Dedication to Elijah Slaughter



Teacher and Coach

For the past twenty years, Elijah Slaughter has been a part of the Jacksonville City School System. Starting at Eastwood High School, then joining the staff at Jacksonville High School, he displayed devotion to his students and athletes. The hours he spent in the classroom are only comparable to the hours he spent pacing the sidelines as a coach. As a reflection of our appreciation, the yearbook staff dedicates the 1985 *Ad Annos* to Elijah Slaughter.

Is there life outside high school?

Of course there is and a favorite activity of students is cheering on their favorite professional or college teams.

Southeastern Conference football is a favorite, but there are many different preferences among students. Anything from Duke University to the Dallas Cowboys to our very own Jacksonville State University.

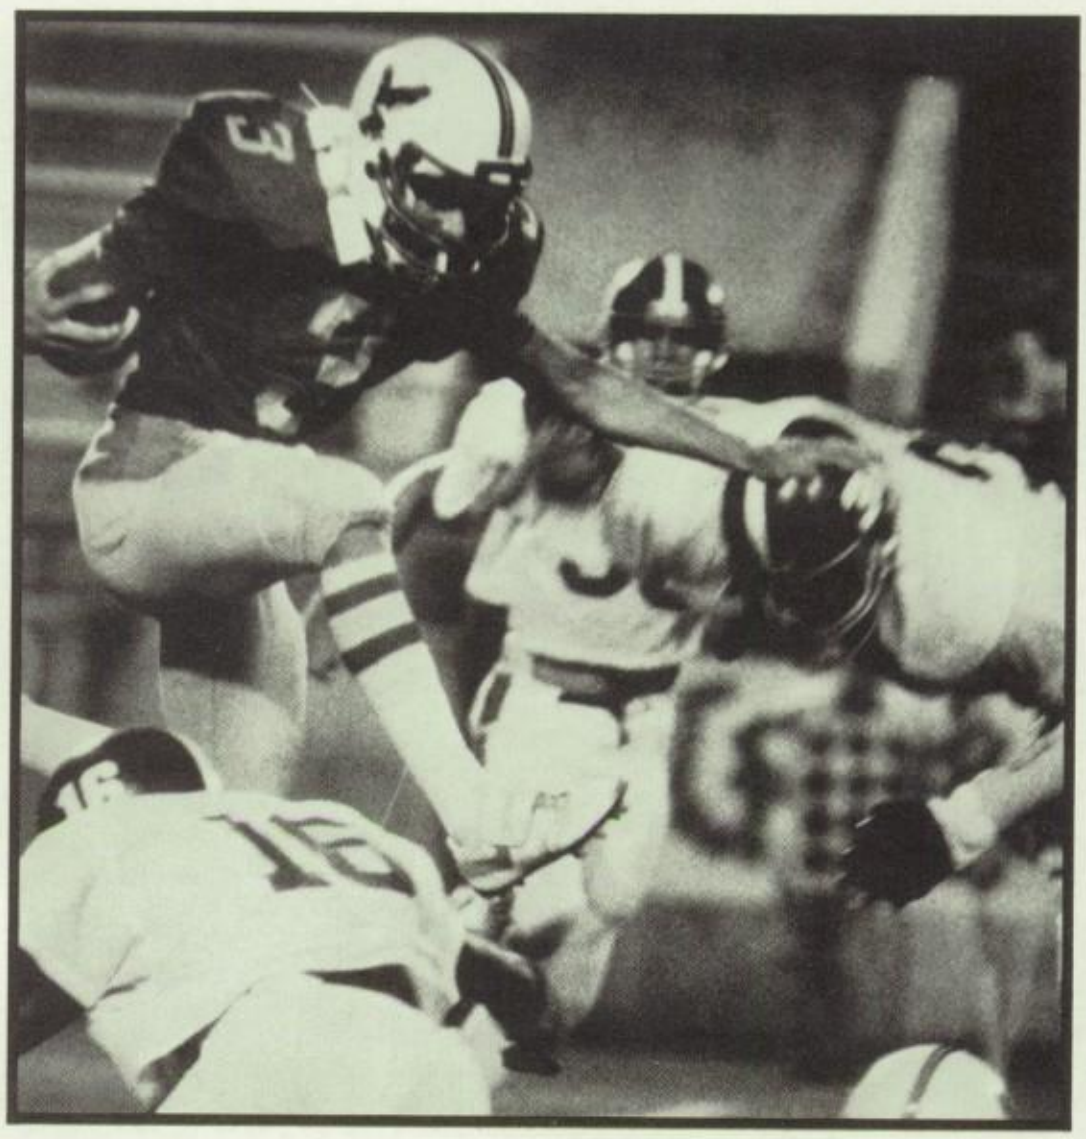
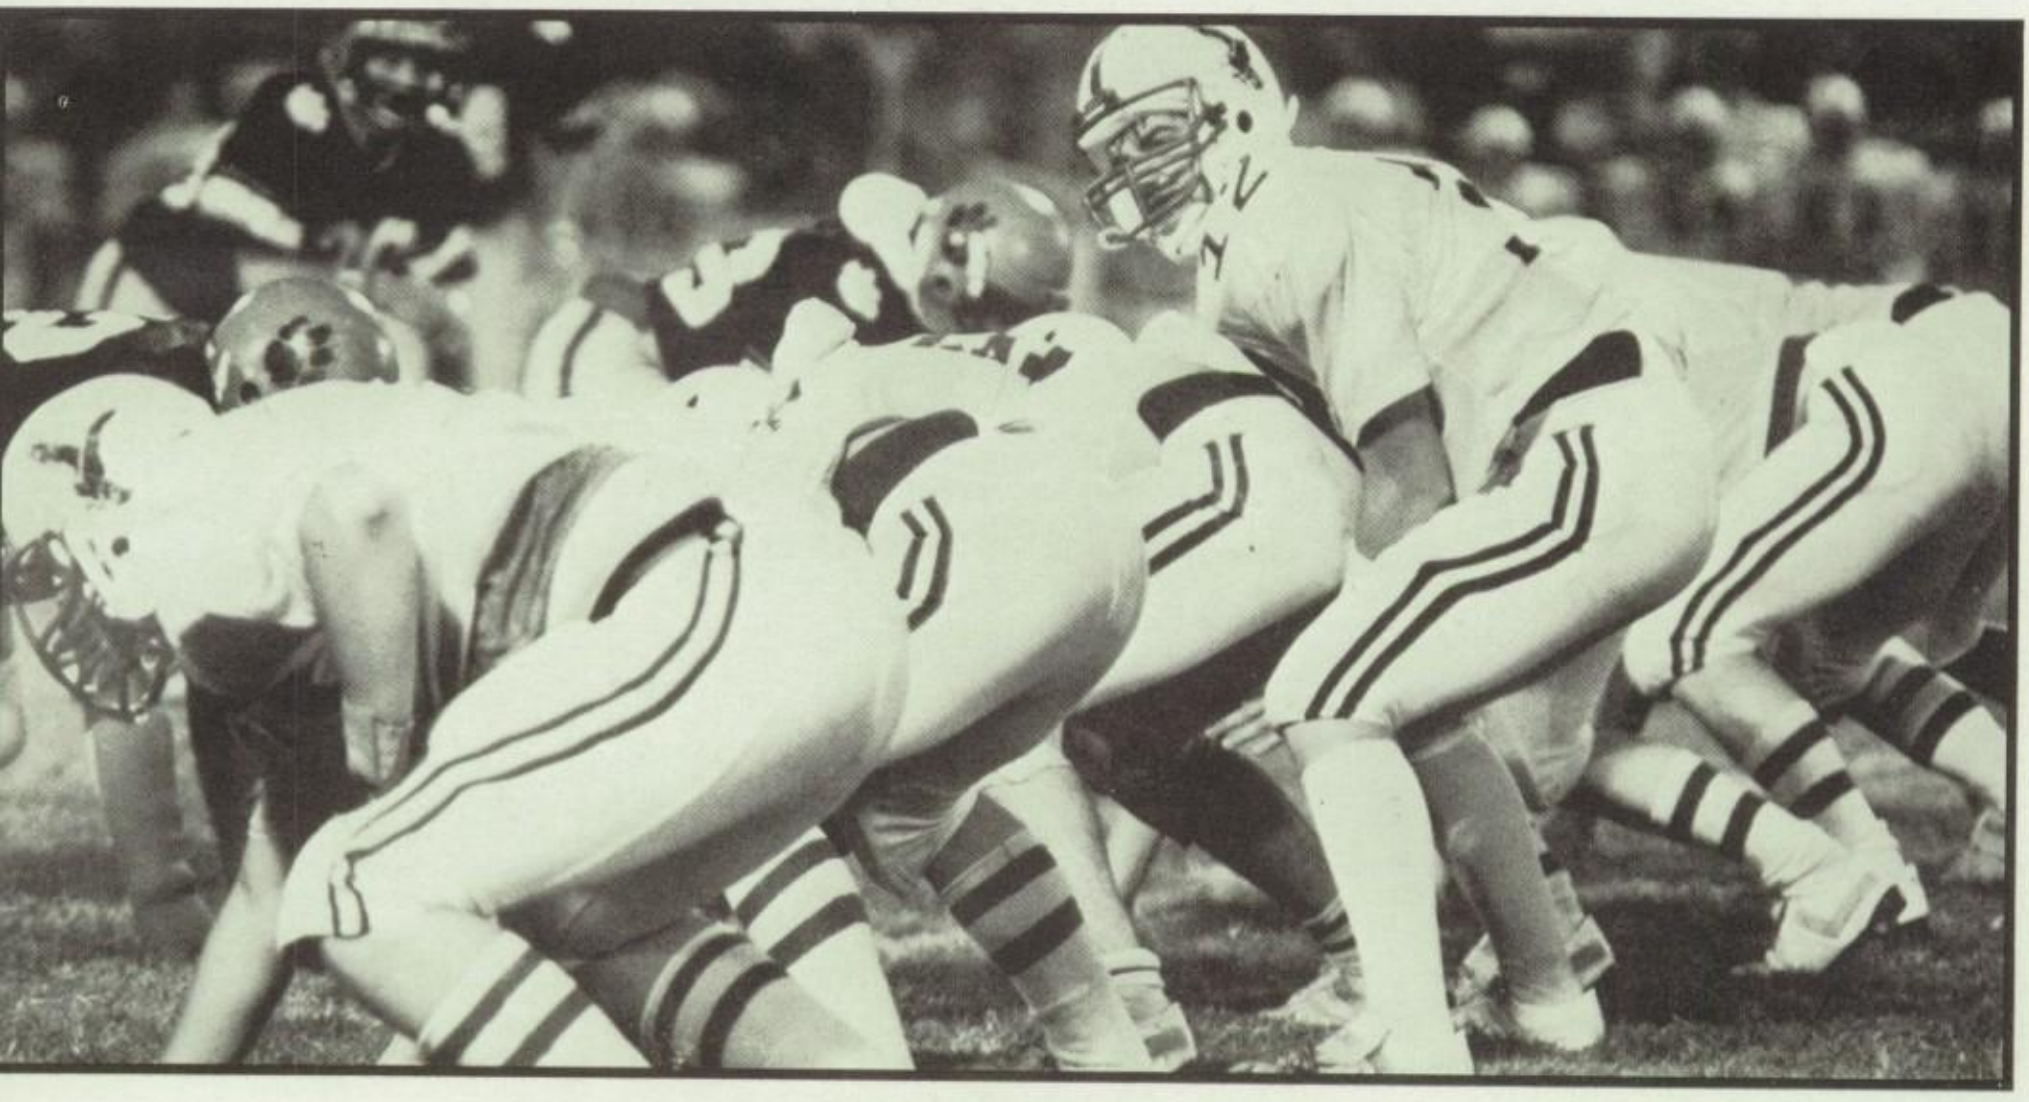
STATE BOUND in '84



Winning Plays are Generated



BEHIND THE LINES

AREA CHAMPS

The 1984 Football season turned out to be the biggest season ever for a Jacksonville Football Team. It marked the first Area Championship ever as well as the first State Play-Off appearance.

The 1984 Golden Eagles ended its regular season record with a 8 wins and 1 loss. The only loss coming to Childersburg, the second game of the year, by the score of 10 to 7.

The Golden Eagles then ran off a total of Eight Straight Victories before losing to Gardendale in the 2nd Round of the State play-Offs. Among the eight straight victories included a come from behind overtime victory over the Wellborn Panthers, an important victory over Saks that assured the Eagles of a State Play-Off Berth, and a BIG WIN over Oxford 26-14 that gave the Eagles the AREA CHAMPIONSHIP and the first win over Oxford in over 14 years.

In the first round of the State Play-Offs the Golden Eagles hosted Pinson Valley and defeated them by the score 17-0. The next week we traveled to Gardendale where we lost to a very big and talented ball club. But it was still a great game with all the support we had, the students and the people of Jacksonville really stood by the Golden Eagles.

Thank you for a great year and a great season.

Yours in Sports
Robert B. Peppers

This season as usual, has been up and down for the Jr. Golden Eagles. They compiled a record of 2-4 when the season came to a halt. But the record, according to 3rd year Coach Billy Davis, doesn't exemplify the ability of the ball players. The Junior Eagles displayed teamwork with self character throughout the season. The '84 Awards for outstanding players: Ken West — Mr. Junior Golden Eagle, Travis Atkins — Best Offensive Player, Chris Lacks — Best Defensive Player, Bobby Viers — The M.V.P. Honor.

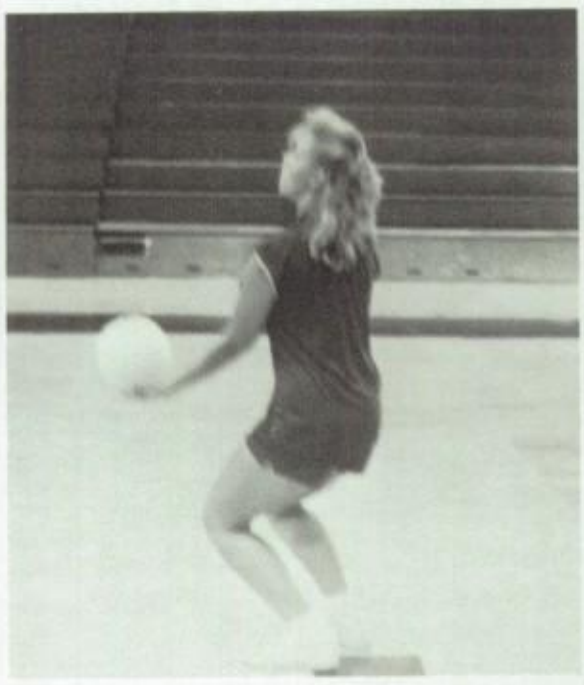
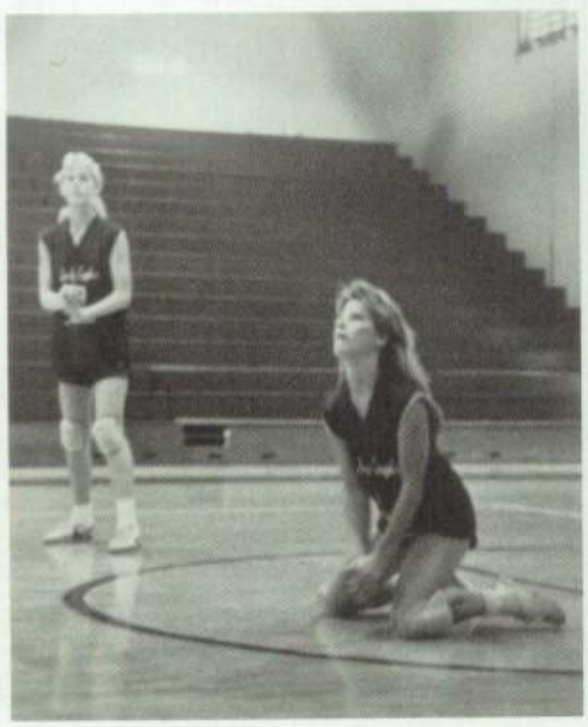
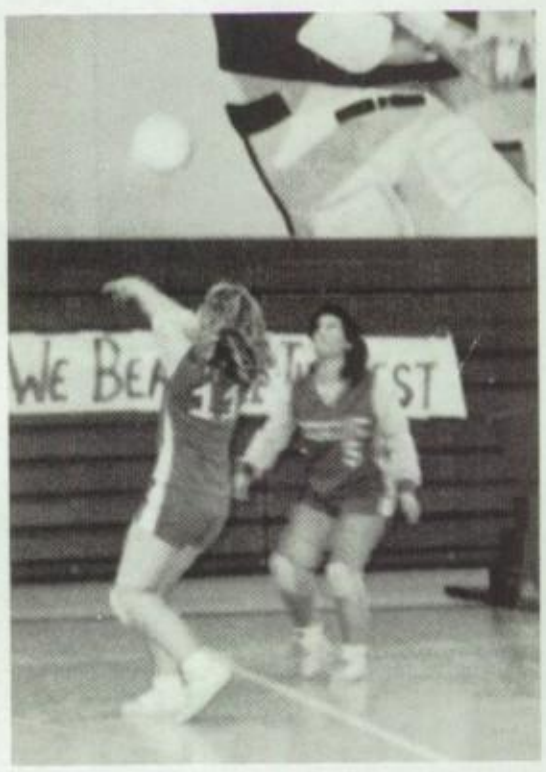
VOLLEYBALL







Considering the Eagles Volleyball team consisted of only eight players, their season was pretty good. Due to the lack of experience, the team never seemed to get on track, but the girls never gave up. The team participated in the County Tournament and senior Cathy Harrell was named to the All-County team.

LADY EAGLES

The 1984-85 Lady Eagles had to look on the bright side after losing three of their starters from last year. The season was tough, but the Lady Eagles' spirits did not fall. Their determination and team spirit pulled them through a trying transitional period. Our Lady Eagles are still #1.

BOYS VARSITY

The JHS Boys Varsity team has done an outstanding job under their new coach, Bruce Nichols. This is his first year as head coach for the Varsity team, and we will be looking forward to many years filled with victory. The team as a whole is a fine group of athletes. They had a trying start but decided that they wanted to be number one, and they are number one to JHS.

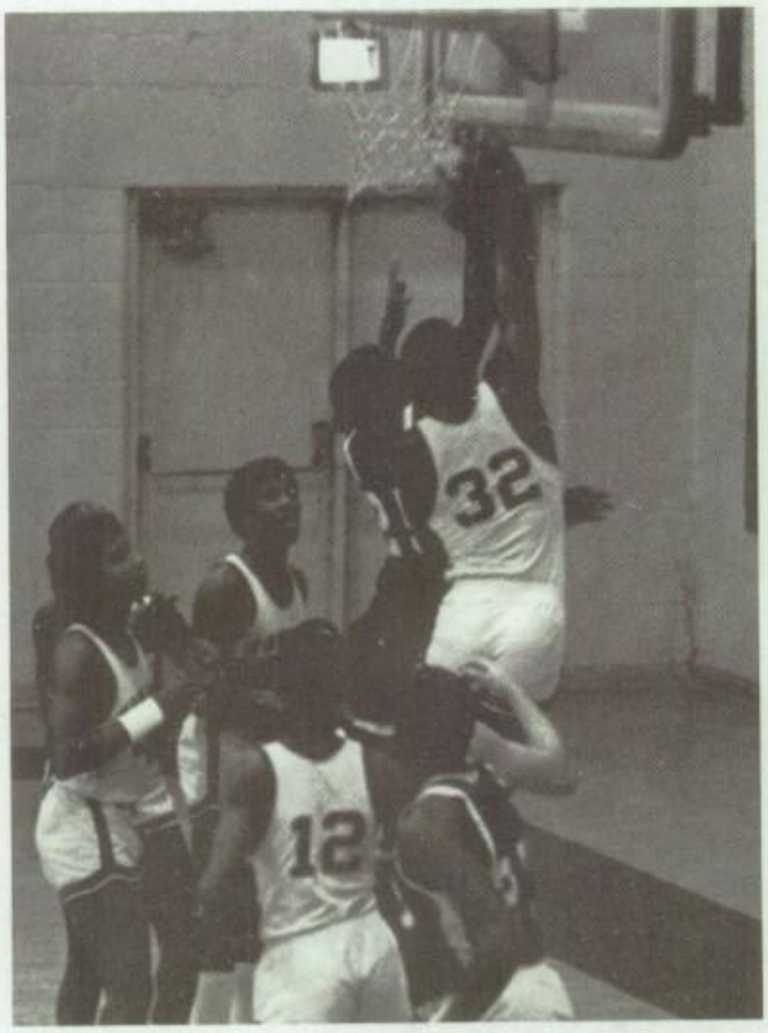
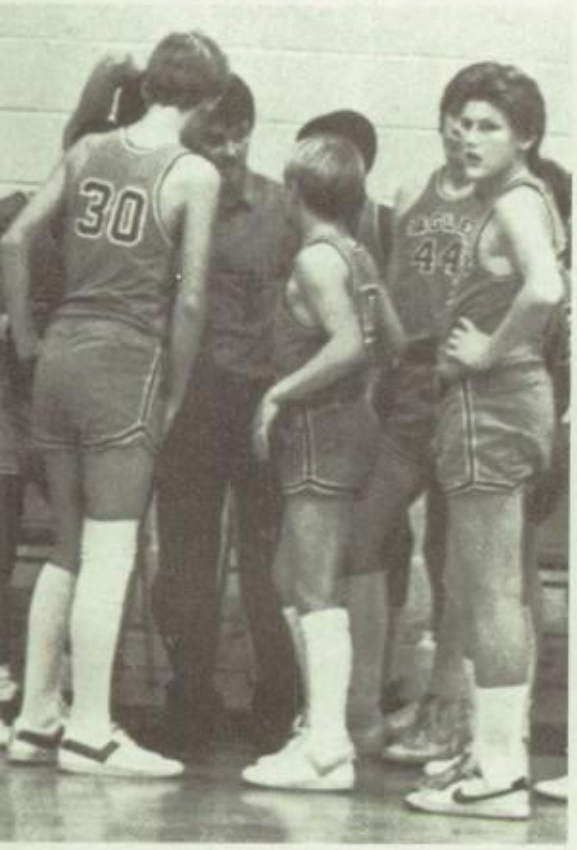
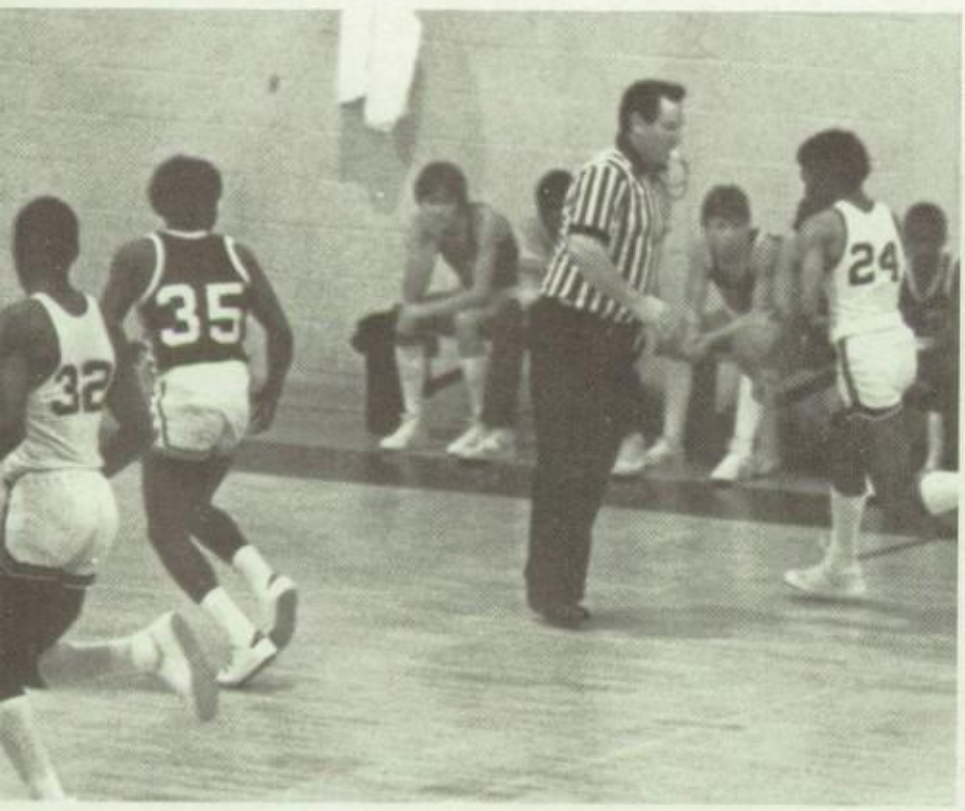
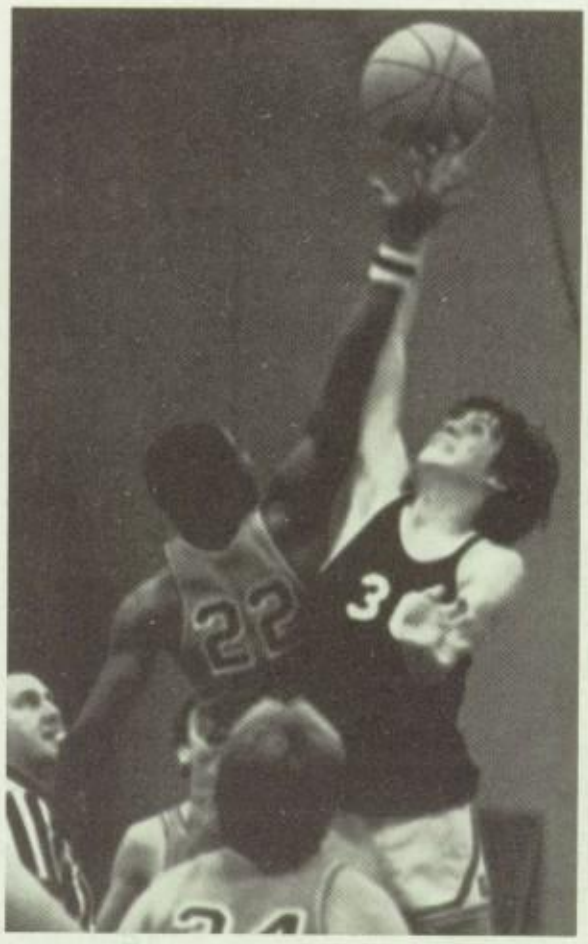
JR. EAGLES









The Junior Eagles started this year under the leadership of Coach Duncan. Nichols, who became the varsity coach when Van Deerman retired, handed over the reins to Duncan for a try at coaching the youngsters. The team was doing well at midseason and showed promise of finishing with a winning record.

PLANNING

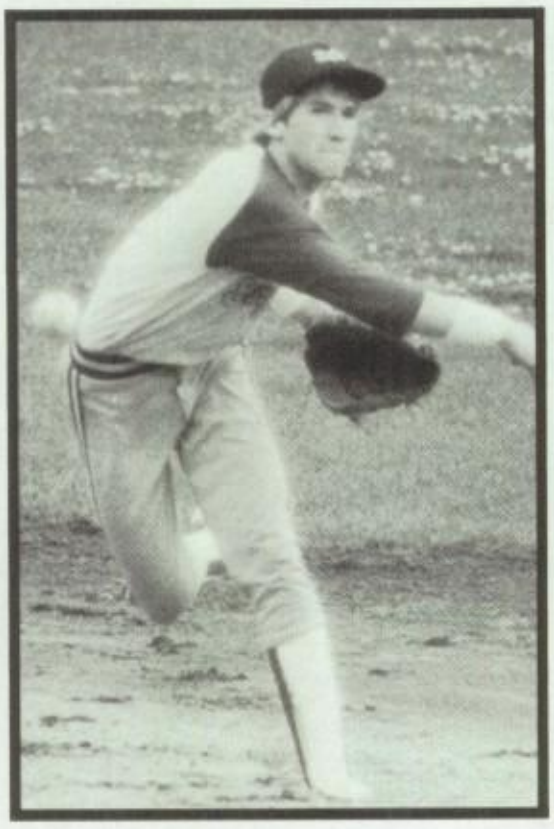
PATIENCE



The 1984 Baseball team did a super job in finishing off the season with a 20-7 record. Their winnings included the Anniston A.E.A. Invitational Tournament, the Area Championship and the Area Tournament. They played in the Regional Championship but lost to Emma Samson 15 to 14 in eight innings.

This year's team was blessed by many outstanding players. The All-County players include the following: Marty Lovrich — Catcher, Sean Anderson — Pitcher, Jeff Isom — Out field, Scott Johnson — 2nd base. Scott Johnson was also the player picked for All State.

The credit doesn't stop there. Head coach Robert Peppers was chosen Coach of the Year and coached three All State games.

We had a great year and it couldn't have been possible without the support of everyone. Congratulations guys!
